📞 09098460198

📍 102 A Cruz Street, Tangos north Navotas city

Objective

To enhance my professional skills, capabilities, and knowledge in an organization that recognizes the value of hard work and trusts me with responsibilities and challenges. Also willing to learn and excel in related fields to build better services, I always looking for new study and technology tools to improve my skills. Willing to communicate in English even though I'm not good at it but confidence and attitude are my first concern and effort to handle any related task.

Experience
